PAYMENT OF ASSESSMENTS

Unit Owner Name: _____

Date: _____ Unit: _____

Unit Owner ("Owner") understands and hereby acknowledges that the assessments charges for common expenses of District 225 Miami. (the "Condominium") and District 225 Miami Condominium Association, Inc. (the "Association") are due monthly on the first calendar day of each month in advance (the "Monthly Assessment"). Owner further understands and acknowledges that the Monthly Assessment may be paid, unless instructed otherwise by the Association (or any collecting entity), in the following manner: (i) online through ClickPay (log onto the FirstService Residential Connect Resident Portal or visit <https://www.clickpay.com/custom/fsr/login.html>, choose "Register" to create your online profile); (ii) pay by eCheck; (iii) pay by credit or debit card for a nominal fee (charge by the merchant); or (iv) online bill pay through your financial institution. Owner agrees that he/she is solely responsible for all costs of collection of the Monthly Assessment and agrees to pay same.

The Owner agrees that he/she is solely responsible for all costs of collection of the Monthly Assessment and agrees to pay same. If any installment of a Monthly Assessment is not paid within ten (10) days from the date when they are due, it shall bear interest at the highest lawful rate per annum from the date due until paid and shall be subject to an administrative late fee in an amount not to exceed the greater of \$25.00 or five percent (5%) of each delinquent installment. The Association has a lien on each Condominium Parcel to secure the payment of Monthly Assessments. Except as set forth below, the lien is effective from, and shall relate back to, the date of the recording of this Declaration. However, as to a first mortgage of record, the lien is effective from and after the date of the recording of a claim of lien in the Public Records of Broward County, stating the description of the Condominium Parcel, the name of the record Owner and the name and address of the Association. The lien shall be evidenced by the recording of a claim of lien in the Public Records of Broward County. To be valid, the claim of lien must state the description of the Condominium Parcel, the name of the record Owner, the name and address of the Association, the amount due and the due dates, and the claim of lien must be executed and acknowledged by an officer or authorized agent of the Association. The claim of lien shall not be released until all sums secured by it (or such other amount as to which the Association shall agree by way of settlement) have been fully paid or until it is barred by law. The lien is not effective one (1) year after the claim of lien has been recorded unless, within that one (1) year period, an action to enforce the lien is commenced. The one (1) year period is extended for any length of time during which the Association is prevented from filing a foreclosure action by an automatic stay resulting from a bankruptcy petition filed by the Owner or any other person claiming an interest in the Unit. The claim of lien secures (whether stated therein) all unpaid Monthly Assessments, which are due and that may accrue after the claim of lien is recorded and through the entry of a final judgment, as well as interest and all reasonable costs and attorneys' fees incurred by the Association incident to the collection process. Upon payment in full, the person making the payment is entitled to a satisfaction of the lien in recordable form. The Association may bring an action in its name to foreclose a lien for unpaid Monthly Assessments in the manner a mortgage of real property is foreclosed and may also bring an action at law to recover a money judgment for the unpaid Monthly Assessments without waiving any claim of lien. The Association is entitled to recover its reasonable attorneys' fees incurred either in a lien foreclosure action or an action to recover a money judgment for unpaid Monthly Assessments. As an additional right and remedy of the Association, upon default in the payment of Monthly Assessments as aforesaid and after thirty (30) days' prior written notice to the applicable Unit Owner and the recording of a claim of lien, the Association may accelerate and declare immediately due and payable all installments of Monthly Assessments for the remainder of the fiscal year. If the amount of such installment changes during the remainder of the fiscal year, the Unit Owner, or the Association, as appropriate, shall be obligated to pay or reimburse to the other the amount of increase or decrease within ten (10) days of same taking effect. If a Unit Owner is delinquent in paying a monetary obligation due to the Association, the Association may have the right to suspend the right of a Unit Owner or a Unit's occupant, licensee,

or invitee to use certain Common Elements and/or deny the Unit Owner's voting rights, all as more particularly provided in Section 18.4 of the Declaration. If the Unit is occupied by a tenant and the Unit Owner is delinquent in paying any monetary

obligation due to the Association, the Association may make a written demand that the tenant pay to the Association the subsequent rental payments and continue to make such payments until all monetary obligations of the Unit Owner related to the Unit have been paid in full to the Association. The tenant must pay the monetary obligations to the Association until the Association releases the tenant, or the tenant discontinues tenancy in the unit. The Association must provide the tenant a notice, by hand delivery or United States mail, in the form prescribed by the Act, if any, The Association must also mail written notice to the Unit Owner of the Association's demand that the tenant make payments to the Association. The Association shall, upon request, provide the tenant with written receipts for payments made. A tenant is immune from any claim by the landlord or Unit Owner related to the rent timely paid to the Association after the Association has made written demand. If the tenant paid rent to the landlord or Unit Owner for a given rental period before receiving the demand from the Association and provides written evidence to the Association of having paid the rent within fourteen (14) days after receiving the demand, the tenant shall begin making rental payments to the Association for the following rental period and shall continue making rental payments to the Association to be credited against the monetary obligations of the Unit Owner until the Association releases the tenant or the tenant discontinues tenancy in the Unit. The liability of the tenant may not exceed the amount due from the tenant to the tenant's landlord. The tenant's landlord shall provide the tenant a credit against rents due to the landlord in the amount of monies paid to the Association. The Association may issue notice under Section 83.56, F.S. and sue for eviction under SS. 83.59-83.625, F.S. as if the Association were a landlord under part II of Chapter 83 of the Florida Statutes if the tenant fails to pay a required payment to the Association after written demand has been made to the tenant. However, the Association is not otherwise considered a landlord under Chapter 83, F.S. and specifically has no obligations under S. 83.51, F.S. The tenant does not, by virtue of payment of monetary obligations to the Association, have any of the rights of a Unit Owner to vote in any election or to examine the books and records of the Association.
